Private support fuels learning, knowledge and opportunities across campus. Here are some of the people, programs and initiatives you supported.

The UM Foundation distributed $41.7 million to campus.

- $5.2M Scholarships
- $24.3M Facilities
- $12.2M Program Support

The UM Foundation distributes authorized funding from endowed funds and current gifts to support students, faculty and UM programs. Financial support helps faculty, students and the University engage in research, expand scholarship and comprehensive student support, faculty salaries and facilities projects.

1,811 students received privately funded scholarships

3 facilities serving students formally opened

1,811 birds were banded and released by the UM Bird Ecology Lab on the Bitterroot Valley’s MPG Ranch thanks to donor support

23 episodes of A New Angle podcast were produced in a privately funded media lab on campus

“With your gifts this year, you changed lives.”

The UM Foundation distributed $41.7 million to campus.

1,811 students received privately funded scholarships

More than 2,600 students received services at the Gianchetta Student Success Center

19 students whose travel was supported by private gifts, performed To Kill a Mockingbird on tour in China

2,111 birds were banded and released by the UM Bird Ecology Lab on the Bitterroot Valley’s MPG Ranch thanks to donor support

13 interdisciplinary summer interns conducted research at the Flathead Lake Biological Station

23 episodes of A New Angle podcast were produced in a privately funded media lab on campus

“I sincerely appreciate your investment into my education! It certainly instigates motivation and perseverance knowing that people like you are committed to my successes as a student.”

Jordan Jimmie, ’19 | Resource Conservation | Flagstaff, AZ

“The University of Montana has helped me grow as a leader, a citizen and a student. It is because of generous donors like you that I am able to access higher education at UM.”

Cassidy White, ’18 | Environmental Studies / Ecological Restoration | North Branch, MN

Robert and Louise Tendeland Betzner Scholarship

“Seeing my family and others like mine struggling to pay for medications and insurance is what made me decide to pursue a career as a pharmaceutical scientist. Your generosity has made my academic objectives possible.”

Bonnie Long, ’21 | Biochemistry | Missoula, MT

Josie Madden Memorial Scholarship

“I, when I graduate, hope that I can use what I have learned at the University of Montana to make a difference in people’s lives, the same way you have made a difference in mine.”

Christopher Vasquez, ’19 | Music Performance

Joseph and Sandra Payne Scholarship in Music

Served in the USMC as a Lance Corporal in the 3rd MAW Band | I Marine Expeditionary Force | Philadelphia, PA

Ralph E. and Hulda M. Native American Scholarship
